Munyaradzi Nzarayapenga joined the Firm in 2004 as an Associate, during which period he gained experience, in legal practice in the branches of Criminal Law, Insolvency law, and largely Corporate law. He later specialised in the branches of Corporate, Investment, Mining law and Property and Infrastructural Development. Having been promoted to Partnership in 2006, he swiftly advanced to the position of Managing Partner of the Firm within the year. He has received accolades in recognition of his achievement as a Gamechanger of the Year from ACQ Global in 2016 and Megafest in 2018.

Munyaradzi has been part of several mandates which through his involvement became groundbreaking initiatives. Some of which include legislative drafting which went so far as to influence mining law on the national scale.

In the Investment and Development arena, Munyaradzi has acted as lead legal advisor in infrastructural development, road engineering and maintenance projects all around the Southern region of Africa, each in the value of USD10 – 80 million.

His experience in Energy law has earned him seats on boards of various local, regional, international energy companies.

With mandates which extend across the globe, Mr Nzarayapenga has rightfully acclaimed a Global Law Expert.
